

COVID Ministry Review

STEP 1: Identify

WHAT HAVE YOU PAUSED, ADAPTED, ADDED, OR NOT CHANGED?

First, list all of your ministry activities according to the categories below.

STEP 2: Review

WHAT SHOULD HAPPEN NOW WITH EACH ACTIVITY?

CEASE

You're ready to make a decision that this activity can be brought to a close and/or will not need to be recommenced in the foreseeable future.

PAUSE

You're not ready to make a decision on the future of this activity, and/or the timing is not yet right to change, recommence, or continue it.

CHANGE/REVIEW

It is now the right time to change the shape or focus of the activity in light of the context, current needs, or what you have learned over the last 12 months.

RE-COMMENCE

The timing is now right to re-commence the activity and bring it back 'online' in close to its former (or adapted) form and focus.

CONTINUE

In light of the current context and conditions, this activity should continue with its current form and focus. It may still be reviewed at a later time.
